Message from the Nursery

We welcome Autumn to the Nursery this month.

The children have enjoyed exploring different art experiences this month. We did some finger painting to celebrate St Patrick's day and they have done some drawing with felts and paints.

We have been spending a lot of time outside in the sunshine as well. The boys have enjoyed exploring our secret garden where they can test their climbing skills.

Message from Over 2's

We welcome all our new children. This month the over 2 children have been exploring and experimenting different resources. Moreover, numeracy and literacy skills were also being enhanced during mat times. The over 2 children celebrated St Patrick's day with a range of art work and a story behind this day was also shared at mat time. Our children and staff also observed "Color your day" in remembrance to the victims of Christchurch.
