Laundry Policy

### What Are We Learning?

There are lot of skills we are learning now: -

- Self-regulation
- respect for tikanga
- Sharing and Turn Taking
- Self-help Skills
- Social Skills
- Problem Solving
- Respecting different Cultures

## Message from Under 2's

This month under 2's explored painting. They used different rollers to paint on the paper. Tamariki developed their sensory skills through this painting activity. They also painted Easter eggs by choosing their own colour. They participated in ANZAC day commemorated by colouring poppies and planting them outside in the garden. Our infants are enjoying variety of sensory experiences including painting, temperatures, sounds and range of smell both indoor and outdoor.

## Message from over 2's

We welcome Joel, Narain and Pavleen to our over two family. Kaiako will be supporting them to settle down by responding positively to their needs and by taking care of their well-being.

This month our tamariki enjoyed different hair styles on the wacky hair day. They participated in Easter painting activities and enjoyed egg hunting as well. They sang Easter bunny -songs by wearing bunny hats. Tamariki participated in the Easter quiz hence enhancing their knowledge and confidence further. Kaiako shared the story of the soldiers with tamariki about their sacrifice for our country. Our tamariki made red poppy flowers and then planted them in the garden as a symbol of sacrifice. This month was more of celebrations. "Our tamariki experience an environment where the curriculum includes the activities and events which allow young children to develop their sense of belonging, understanding and respect for everyone" (M.O.E. 2017)
