Major Events Celebrated in

MAY

Great Whanau participation was vile during Mother's Day celebration. Children performed very confidently during the celebration. It was very exciting for the children to see their mothers taking part in activities organized.

Samoa language week was a great success as children actively participated in the learning experiences provided.

Message from Under 2's

We welcome Zayhaan, our new under two child who is settling into our routines. The Under Two's are participating in more structured activities to help strengthen their social skills, fine motor skills and gross motor skills.

Music is the interest at the moment, so they are experiencing music from different cultures and learning to control their bodies and the enjoyment of listening to music.

Message from over 2's

We welcome Zohaar, Alwin, Gavin, Pavleen and Roohani, our new over two children.

They are getting accustomed to the centre life and are finding their place in the centre.

The children have been learning about pizza making. They have made dough and made pizza from scratch.

Additionally, children are engaged in community transport and are fascinated with rubbish dump trucks. Teachers are provoking children to think how these trucks support the community. We are also noticing children's interest in flowers and caterpillar's and a range of learning encounters are provided. Overall, great learning is visible.
