This month we have welcomed Brisa, Avey, Gaze and Maanas. The children are building new relationships through common interests such as block play and music. The children enjoyed doing some art for Mother's Day and they enjoyed participating in our Mother's Day celebration.

We welcome new children and their families to our Centre. This month the children are showing a lot of interest in cars, animals and pretend play. Teachers have been extending their interest to deepen their understanding. We continue to provide a strong sense of belonging to all our Tamariki
