Major Events Celebrated in June

Whanua involvement and participation was visible when our centre hosted Pyjamas Day. Parents thank you for dressing your child in their favourite PJs. They enjoyed pop corn and movie on that day. More so, our Matariki celebration was a huge success as children demonstrated great confidence in their performance. Parents and whanau a great thank you for your support

Message from Under 2's

Under twos have been provided with great adventures in exploring textures, especially natural resources like sand, twigs, grass and leaves. Also to broaden their learning experiences, children were encouraged to explore paint in different context and textures like dry, wet, thick and thin. All tamariki enjoyed participating in the Matariki Celebrations too.

Message from over 2's

We welcome Veera our new over two children. Over twos are showing great confidence and knowledge on Matariki celebrations. They used clay to recreate various forms of koru design. Our tamariki also presented a great show on the story of Maui and the Sun. We all are gaining more confidence in sing different songs in Te reo. Along with this, children have learnt about the butterfly life cycle which was visible in our science corner. Lots of active discussion, artistic presentation and skills have been developed in this past month. Paki Paki for our tamariki who continue to show confidence and competence.
