

NEWSLETTER FOR SEPTEMBER

LITTLE FEET CHILDCARE CENTRE

THIS MONTH'S THEME "CELEBRATING LANGUAGES"

September's Upcoming Events

Librarian visit	6 th Sept.
Maori Language week	9 th – 13 th
Science Experiment day	20 th Sept.
Loud Shirt Day	27 th Sept.

Major Events Celebrated in August

A great and enjoyable month where learning history and patriotism was the focus of fun activities. Over two children showed their leadership skills to the under twos in their performances during the India Independence Day and Father's Day. They led the dancing and the singing of songs on these events. They smartly answered all the trivia questions about the flag of India. "Fathers are the first love of their daughters, and the heroes of their sons" most especially this Father's Day.

Teachers

Araadhana, Shweta,
Reena, Jerilyn, Raman and
Srishti

Reminder

- Healthy Lunch Box (Nut Free)
- Water Bottle
- Sunhats
- Spare Clothes
- Bedding

What Are We Learning?

There are lot of skills we are learning now: -

- Sharing and Turn Taking
- Self-help Skills
- Social Skills
- Problem Solving
- Respecting different Cultures
- Perseverance skills
- Appreciating Diversity

Policy for Review Communication Policy

Message from Under 2's

Welcome Jodhveer to the under two room in the Little Feet Family!

This month under two children experienced and practiced for India Independence Day celebration. They took part in making Indian flag, painting the Indian map and listening to the Indian patriotic songs. They also actively participated in Father's Day practice and celebration. They loved to listen to the Happy Father's Day songs and showed their happiness by shaking their legs on chicken dance. Overall, the month was full of practice and celebrations.

Message from over 2's

We welcome Kaavya as our over two room in the Little Feet family.

Over twos were looking forward to doing their interests in fire trucks and pretend plays after a firewoman and a nurse paid them a visit and had some amazing activities with them. They identified the fire alarm sounds and detailed what to do when they hear such loud sounds. They identified all the parts of a fire truck. They also had fun pretending to be a nurse or a doctor or a patient. They had a choice which instrument to use with their patients whether a stethoscope, a thermometer and others.
