Highlights of month of October

- Niuean Language Week
- Diwali Celebration

Infants and Toddlers focus: -

This month our infants and toddlers have been actively and independently exploring all the curriculum areas. They were quite engaged in singing, dancing and listening to the stories. They enjoyed being outside in the sandpit and exploring slides. They worked alongside with preschoolers for Niuean Language Week and Diwali Celebration. They participated in the art activities which further developed their creative skills and social skills such as sharing and caring. Toddlers have further developed their self-help skills such as washing hands, feeding themselves on their own and tidy up.

Preschool focus: -

Our Preschoolers have been quite enthusiastic towards all the activities done in the centre. They have further enhanced their interest in insects and storytelling through mat times, art activities, making butterflies with playdough, colouring and painting. Preschoolers celebrated Niuean Language week by colouring Niuean flag, painting Niuean flower and had dressing up in Niuean attire. After this, they celebrated Diwali and did lot many activities which further encouraged them to respect other cultures. Children have also been showing a great interest in the trip to Butterfly Creek and sharing their stories with each other during mat times.
