Major Events Celebrated in September

It was a great and enjoyable month where our tamariki had lot of fun during Maori language week. They learnt various Maori songs and had fun singing them. Learning few Maori quotes was another advantage during this week. We also celebrated Loud shirt day and requested gold coin donation from the parents to support people with hearing disabilities.

Reminder

- Healthy Lunch Box (Nut Free)
- Water Bottle
- Sunhats
- Spare Clothes
- Bedding

Policy for Review Communication policy

What Are We Learning?

There are lot of skills we are learning now: -

- Sharing and Turn Taking
- Self-help Skills
- Social Skills
- Problem Solving
- Respecting different Cultures
- Perseverance
- Appreciating Diversity

Message from over 2's

This month, over twos experienced Maori language week wherein they were supported by their kaiako in learning few Maori songs. Even they learnt few quotes and words in Maori and respect the maori values and cultures through watching videos and experiencing different activities.

Children also did various science experiments during this month. They tried using magnifying glasses and did some volcanic eruptions using baking powder and vinegar with the support of the teachers. Children and families also came forward to support fundraising for the Loud shirt day. Overall, it was an amazing month with lots of fun and learning for our children.

Message from Under 2's

Children in the under two are well settled and had lot of month. They also experienced Maori language week by learning about maori values and culture by having a combined mat times with the over two children. They also had the opportunity to engage in the activities where they came across various textures such as gloop, play dough.

They also enjoyed having fun dancing with the over two children as well. Therefore, under two children strengthened their social skills as they had lots of group activities and shared space and resources with each other.
