Major Events Celebrated in January

Our center celebrated Chinese New Year with the tamariki.

A range of Chinese art was made and displayed for parents and children to revisit.

The children enjoyed dancing on Chinese songs, counting in Chinese and participating in dragon dance.

Message from 'Under 2's

Under 2 children have enjoyed all the activities in Chinese New Year. Now the teachers along with parents are discussing about their child's hopes and dreams. Teachers in under two room are also supporting children to develop their communication skills through mat times and story reading. During their meals times and other activities children are encouraged to develop self-help skills.

Message from over 2's

The over two room has seen some graduations taking place as our 5-year-old friends are moving to primary school. Teachers are currently observing children's interest and found they really enjoy constructing. With parent's support, teachers are now developing children's individual plan.

Children who are 4 years and up are now engaging in transition to school program which is supported by teacher Gurmeet and Priya.
