Major Events Celebrated in November

A great and enjoyable month where learning about animals was the focus of fun activities. Over two children showed their skills in following directions when they went for an excursion to Butterfly Creek. They had fun with their parents/whanau and teachers observing and watching different species of animals. Children excitedly welcomed the librarian telling them stories, singing songs and catching bubbles.

Message from Under 2's

Welcome Keshav to the under two room in the Little Feet Family!

Under twos have been provided with great adventures in exploring textures, especially natural resources like sand, twigs, grass and leaves. Also, to broaden their learning experiences, children were encouraged to explore paint in different context and textures like dry, wet, thick and thin. They also were encouraged to explore the garden with strawberries and cabbages. They also joined the over 2s explore and had fun at the big ground running and chasing balls.

Message from over 2's

We welcome Zayaan, Sunmeet, Amrit to our over two room in the Little Feet family. Their sense of belonging shows that they have settled in well and enjoying their surroundings.

Over twos were looking forward to celebrating Christmas. They were busy practicing their Christmas songs, dance and their Nativity play. All children were given a role to practice for the Christmas programme. They were also engaged in doing art activities for Christmas wall decorations. Their interest in pretend play was extended as they enjoyed dressing up in kings, knights, princess costumes.
