We welcome Keshav to our under 2 room.

The under 2 children were engaged in exploring textures, outdoor play and their room environment.

For Diwali, our tamariki did a range of activities with their Kaiako and participate in activities like singing Diwali song, arts and the evening Diwali Function along with their Families and Whanau.

This was a very exciting month for our tamariki with a range of learning encounters planned.

The children were very excited to see a Fire Truck along with Fireman. A range of knowledge was shared with them about the Fireman services. Our tamariki enjoyed exploring the fire truck activity. This provided them to pretend to be a fireman too.

We also enjoyed outdoor and visiting the reserve park next door.
