## *Under 2's Message*

The under twos are settling very well after the Pandemic lockdown. We also have a new child Jashan in under two, who is settling in wonderfully. The teachers are working with children in helping them develop their self help and care skills. It is wonderful to see them washing their hands with the support of the teachers, saying the karaika and helping in tidy up. Such experiences help children to gain independence as they achieve their milestones. Additionally, our tamariki are actively exploring outdoors especially the slides and the nature around them. The under twos also love music and dance, they really enjoy dancing on their cultural music. With a range of activities available to them, the children are also developing their social and communication skills.

### *Samoan Language Week*

*Children engaged in a variety of activity for Samoan Language week. They explored making a fake, weaving, Samoan dance and many more other things.*

### *Over 2's Message*

The over twos are settling amazingly well after the Pandemic lockdown. We also welcome three new children in our Little Feet Family: - Prableen, Rudvik, Rashi and Hazel. The over twos are demonstrating a keen interest on construction and after a revisit to their previous work, they discussed to explore and construct a snow mountain. From here their journey is leading them towards nature and science where they are eager to know where the water, ice and rain come from. In addition to this, children are also exploring animal habitats and have constructed a stable and a pig sty. Teachers are engaging children during interactive mat time where the focus is literacy and numeracy and encouraging children to speak about their morning news. All teachers and children are looking forward to their exciting holiday program.

### *Our Staff*

*Araadhana, Priya  
Gurmeet, Reena,  
Shweta, Anita  
Jerilyn, Srishti*

### *Birthday of Our Little Stars*
