Tui Room's Message

In June, we welcomed 3 new babies and their Families (Pisila, Christina and Kaavya). We are focusing on settling them into the Centre. Our planning is rebuilding our relationship after Lockdown. We celebrated Samoan Language Week and Matariki Week in which our little stars enjoyed the various activities such as painting & drawing, collage cutting and story time.

Kiwi Room's Message

This month we welcomed more children back to the Centre after the Lockdown. We also welcome a few new children into the Kiwi Room. Our children were very settled and got back into their routine. Teachers and children shared their experiences about their stay during the Lockdown. Children shared their feelings with one another as they continued to develop and strength their friendship. Children also celebrated Samoan Language Week with a range of activities such as making Samoan Flag, Learning Samoan Songs and Words, painting Tapa Design, making Samoan flowers, Coconut gratings and Samoan Siva. Children and staff also were dressed in the Samoan Costume to mark the end of the Samoan Language Week. Matariki Week was also celebrated with lots of excitement as children learnt about Matariki. the seven stars, Maori songs making of Korowai, making pois and dance. Maori myths and legends were also shared with the children.

Pukeko Room's Message

Kia Ora and a warm welcome to all our Tamariki back to the Little Feet Childcare Centre. Teachers in Pukeko Room also incredibly happy to welcome our new children and some children are transitioned from Kiwi Room. All are doing very well and so exciting to take a big step in learning journey. We are having fun while learning new skills by playing many new games. We also continue to instil in children self-help skills and encourage them to learn and to think about healthy eating by discussing the phrase "One apple a day keeps the doctor away". Our children also compose their own songs about healthy food, by doing so it expands their vocabulary as well. Besides, we joined Kiwi and Tui Rooms for the Samoan Language Week Celebration. We all enjoyed the Samoan dress up, dance and food very much. In June, we also hold graduation ceremonies for Kalani, Selena, Nidhi and Sione wishing these children absolute best as they transit to Primary School.
