## *Kiwi Room's Message*

Hello everyone from Kiwi room. In August we celebrated Cook Island Language Week in the beginning of the month. Various activities were organised to mark this day-teaching greeting, colouring flags, dressing up and dancing with traditional music. Children are well settled, and new enrolments are welcome. Kiwi room is well equipped with resources and safe environment. All safety practices are observed; hand beds and toys are sanitised to combat COVID-19.

## *Tui Room's Message*

Tui room celebrated the Cook Island Language Week together with all the children and staff at Little Feet Childcare Yates Road. Tui room has 10 children and all are settling well. Tui room welcomed Mia and Vaanya this month. During this lockdown, only Mia was coming to our Tui room and this helped her to settle well in the class routine. Staff at Tui room had reached our dear parents through emails, calls and text messages to follow-up the children's activities at home and their well-being. The centre's Facebook social media has been updated daily through posting some activities which our children and parents could enjoy doing at home during this pandemic lockdown. Tui room is looking forward to welcoming our children back after the lockdown.

Reminder: Please feel free to browse our centre Facebook social media account for activities for both our children and parents.

## *Pukeko Room's Message*

Hello everyone! Warm greetings from Pukeko Room. Hope you all are well amidst second Covid-19 out-break. The month of August welcomed our new staff, Priya. We also welcomed tamariki Kyron. Cook Islands Language Week was observed from 3<sup>rd</sup> to 7<sup>th</sup>. Covid-19: sad that we could not have face-to-face interaction with our tamariki due to lockdown. However, the staff tried their best to post some activities that children could do at home. You can visit our face book page to access these videos. During the lockdown, the staff re-organised activities to be posted on the walls. This new-look walls reflect what the children are actually doing at the centre. Remember, teaching is a three-legged stool where the teacher, the child and the parent represent each leg. Henceforth, we urge all the parents to feel free to visit the centre and discuss about your child's learning as soon as we are relieved from Covid-19. Also be reminded to provide your child with blanket, spoon, and water bottle. Those children turning 5 will transit to primary school so please start making arrangements for their enrolment. Urging you all to take care and be safe.

### *Our Staff*

*Anita, Farida,  
Kasileta, Maingel,  
Nomita, Srishti, Sushi,  
Tuiga, Kanta, Priya,  
Satendra, and
