### *Over 2's & Under Two's Message*

The month of August started with lots of excitement for over two and under two children. Our tamariki enjoyed the librarian visit where they engaged in lots of waiata, story reading and bubble play.

The over two tamariki are demonstrating a lot of interest and having fun in their exploration of nature including doing their cloud experiment.

Under two tamariki welcomes our new friends Agamjot, Navnoor, and Gursharan. Identifying shapes has been an emerging interest among the under twos. Children enjoyed doing varied activities about tapatoru and Tapawha; and singing the Te Reo shape song.

Both the over twos and the under twos tamariki, parents and whanau have been engaged in the preparation for the India Independence Day Celebration.

However, with the level 3 lockdown in place for health and safety reasons, children must stay at home and keep safe.
