Tui Room's Message

Kia ora koutou! Tui room wishes you a very happy and prosperous New Year!

Tui room is very happy to welcome all our babies this January and very excited to explore a lot of activities both indoors and outdoors play area. As the heat of the summer is approaching, we expect to have lots of activities outside to enjoy the warm of the lovely summer. These activities include water play, bubble play, sand pit and other physical education activities. For this, we humbly ask your unending support to bring extra clothes, towel, sunhat or bucket hat and sunscreen for our own child/children. Tui room will absolutely enjoy these lots of fun of activities we have prepared for them.

We look forward to bringing joy and excitement to all our babies. May we all enjoy the year 2021 everyone!

Kiwi Room's Message

We would like to take this opportunity to welcome all our new children, parents and whanau that have joined us this year. All children are settling in well and are having lots of fun. Based on the current interest of our Tamariki, we are pleased to begin our programme planning on the theme 'Animals' and evaluate our theme on 'Music to the dance'

To extend their interest on animal's Parents/whanau are requested to share their ideas, thoughts and resources for the theme 'Animals'. The teaching team have been exploring ways to increase opportunities for toddlers to see them as competent and capable young people they are and to be given the time and respect that enables trusting, authentic and co-operative relationships to develop. It's great to see all our Tamariki settling back in the classroom with the sunny weather. Our children are spending more time outdoors engaging in physical gross motor activities, bike rides, sandpit play, messy play and water play. Children love the family pretend corner. We are Looking forward to starting the year providing various provocations and learning opportunities for our Tamariki. Children are also making their discoveries using all their senses, curiosity and knowledge while playing games, puzzles, Lego and much more.

Pukeko Room's Message

During this month of December, we all joined in together to celebrate the special occasion of the year ending event Christmas. Christmas time with young children is a magical experience, as they encounter all of its wonders: the expectation of waiting and counting the days till Santa Claus's visit. During this time of year – from as early as the beginning of November – the preparation for Xmas begins like decorations, stories and tales, rehearse performances, and practicing the Xmas carols. The boys of Pukeko room had the privilege to do the Haka performance followed by a role play and the beautiful singing of the Xmas carols. The exciting part of the Xmas function was the arrival of the Santa Clause giving out the gifts. The children were so excited to take their gifts home with a token of a self-portrait calendar and a goody bag of ginger cookies. The celebration ended with a special treat given to the children (fairy bread, samosas and hash brown). Celebrations provide a real opportunity for children to think and talk about diversity. Engaging children in meaningful conversations about what it means to celebrate and what should be celebrated in their setting, recognizes the knowledge and experience that they bring. This helps to build an authentic, approach to celebrations that is both meaningful and inclusive. We can then make these celebrations visible to all in our setting and communities through song, dance, and photographs. Children also learn to acknowledge and appreciate others culture apart from their own. Apart from the celebrations, we also said goodbye to our two friend's optimus and Kyron. They both got graduated and are preparing for their new journey to the primary school. We wish them all the very best in their future studies. we all are experiencing the summer weather and we will do lots of water play activities therefore it is request to the parents please send a pair of spare clothes, a small towel, sun hat, and summer shoes with their children. Finally, I would, like to thank all the parents for their contribution in making 2020 a successful one.
