

# NEWSLETTER FOR DECEMBER 2019

## LITTLE FEET CHILDCARE CENTRE

The Management and the staff would like to welcome all the families who have joined Little Feet Childcare Centre.

We wish our Tamariki, Parents and Whanau a very Happy New Year.

### Important Notices

#### Blankets

- Parents please provide a blanket for your child/children on every Monday and take it back home every Friday for washing.

#### Children's clothing and lunch

- Please ensure to pack spare clothing for your child/children in their bags with their names written on it.
- Please ensure that your child has a sun hat in his/her bag.
- Parents please provide healthy lunches and snacks in your child/children's lunchboxes together with a water bottle as well.

We would like to thank all the children, parents and whanau for their support and participation throughout the year. We are looking forward to the next year with the same enthusiasm and better learning outcomes for our tamariki.

Nga mihi nui

### Reminder

- Parents please ensure that your children aged from 15 months and over are up to date with their MMR vaccination. If they are not, please contact your local GP.
- Parents are requested to please let other parents know that we currently have spaces for children in our Centre and would appreciate their referrals.
- Parents are reminded to read the notice board for the important information every day.

## Infants and Toddlers focus:

Our infants and Toddlers have been experiencing lots of learning from the wide range of resources that were being made available for them each day. Infants and toddlers have been achieving their individual goals such as self-help skills and more. Infants and toddlers love to get messy and love to indulge themselves in paint. Through this they were able to interact and communicate to each other and their teachers as well and further develop their literacy skills. Teachers have been providing Infants and Toddlers with lots of love, compassion and care each day throughout every routine.

**Preschool focus:** - Children have shown lots of curiosity both indoors and outdoors. The development of their small and large muscles enhanced while manipulating, with sensory play activities such as gloop, playdough, water play and painting. Preschool children have been focusing on their writing skills such as learning to hold pencils, commencing to write letter A and learning to write their name as well. Children also explored outdoor area where they could enjoy water play, sandpit, slides and gloop with their younger peers.

After Christmas, it was little quite in over 2's room as some children went on Christmas holidays to spend some quality time with their parents and whanau

Overall, the month of December brought lots of opportunities for our tamariki to become confident and competent learners.
