Tui Room's Message

In the last 3 weeks we had 8 new babies and families joining our Tui room. Now, we are focusing on settling our babies in our environment and let them explore and feel comfortable. We built our good relationship with them and keep engaging in many activities. Most of them have settled and some are still settling in properly. Thank you, parents, for all your kindly support

Kiwi Room's Message

Kiwi room has been welcoming new children throughout the months 0f June and July. Children have been settling well, enjoying various activities. During 2 weeks holiday programme, children had games such as baking pan cake, dress up day (Tamariki dressed up in their favourite costumes) and movie. We have noticed that children have growing interest in construction with various mobilos and blocks. Tamariki have been turning up in good numbers despite the winter. For the health and safety of all other children and teachers' parents are reminded to keep children at home when children are sick or have cough and flu. Parents are also reminded to put spare clothes, diapers in children bags. To avoid mixing up we humbly request parents to put name on children's belongings.

Pukeko Room's Message

Kia Ora, we welcome all our tamariki back. This month we welcomed Jing Hui. We also saw the transition of Abigail and Adler from the Kiwi Room. Currently, we have three teachers in Pukeko room Kanta, Wanlapa and Satendra. This will be Tamariki Harley and Haram's final month as they are turning 5 and going to start primary school very soon. Tamariki Jodeci and Serenity have also left us. We wish these tamariki the absolute best. We want to strengthen each child's language and identity hence we seek your assistance in providing us with the much-needed information. We are also assisting children who will be going to year 1 by providing them with literacy and numeracy classes in addition to teaching them self-help skills. We will ensure that at Little Feet Childcare Centre we will make your child's learning journey an enjoyable one
