Tui Room Message

Kia Ora Whanau, a very blessed and happy new year. The month of January started on a high note, and we welcomed Saige and Aria to the Tui Room. We had 7 babies and Tui Room continued with summer play like shading, sand play, construction, music, bicycle riding and many more. The teachers also started with magic moments as required by the Ministry of Education. With continuous support from the whanau, we look forward to making his year a fruitful one.

Pukeko Room Message

"Summer days, suns out! "It's so hot" we all shout ☀️ January heat, the start of the year! "Happy New Year" we all cheer. Hot greetings from the Pukeko Room this January. As we start the new year, we are welcomed with the summer heat. We hope that everyone has enjoyed their holidays with their loved ones, doing the things that they love most. We welcome new children and their families to our room. Welcome. We encourage you to get to know us and our Centre through daily conversations with the kaiako. We have a group of children who will be graduating and preparing for Primary school. We look forward to celebrating them this month. To enjoy the beautiful weather with water play, we have put out a notice about bringing spare clothes to the Centre. Our water sprinkler provides fun in the sun, a cool down to the heat, and a chance to experience water play with friends. We have had lots of laughs and smiles in the sprinkles of water. This month kaiako also begin to action our new planning model using Te Whatu Pokeka - for more information about this please don't be shy to ask us any questions. This new planning model will help us to really get to know your child and plan accordingly to their interest. For February, we have Waitangi Day coming up as well as continued learning and fun with water play. Until next time - ka kite from the Pukeko Room.
