Tui Room Message

Kia Ora, the month of February was an exciting one as we celebrated Waitangi Day. We also welcomed whaea Elisa to our Tui Room, our new Tamariki Malia, William, Tamale, Simer, Kylanni and Athena. Our babies enjoyed outdoor play such as water play. Bicycle riding, music, dancing, sand play etc. Thank you so much whanau for your support and more will be coming in the coming month.

Kiwi Room Message

A warm welcome to all our new enrolments and their families! We are delighted to have you join our Kiwi room family. We also extend a heartfelt welcome to our newest staff members who bring their passion and expertise to our team. Likewise, we had a fantastic time celebrating the vibrant traditions of Chinese New Year! The children engaged in various cultural activities, learned about the significance of this special holiday, and enjoyed creating beautiful decorations. Despite the weather changes, we are committed to providing enriching outdoor experiences for our little ones. Our outdoor play sessions continue to be filled with exploration, creativity, and plenty of fresh air. On the contrary, we are excited to announce the implementation of our new curriculum, designed to capture the children's day-to-day learning and put them into pictures and words to support holistic development in our children. Another gentle reminder to ensure your child's lunchbox is packed with nutritious goodies to fuel their day of discovery! Additionally, please remember to provide spare clothing and a labelled water bottle for your child to ensure they are comfortable and hydrated throughout the day. All in all, our dedicated team is always here to support you and your child. If you have any questions, or concerns, or simply want to chat, please do not hesitate to approach our friendly staff members. Your feedback and input are invaluable to us! Warm regards from Kiwi whānau.

Pukeko Room Message

On behalf of Little Feet Childcare Centre Pukeko room I would like to welcome everyone to the month of March. I am feeling proud to say that the month of February has been completed successfully. We have blended in new program planning based on which we have started observing children's interests and two dispositions. We would like to welcome our parents' contribution to share their child's interest at home. We have conducted four graduation ceremonies for Amairah, Kesaia, Arsh and Sapphire who are going to start their new journey to primary school. We wish them all the very best in their education and welcome our new enrollments. We have said farewell to Kaiako Navneet and welcome back Whaea Gurleen who has joined back from her maternity leave. We also want to welcome our two new teachers, Whaea Arti and Kaiako Pranil. Our shining stars group have started preparing for school by taking active interest in Pre-Literacy and Numeracy. Shining stars group is made up of the children who are four and half years old who are ready for school. Teachers are undertaking professional development to enhance their knowledge of Te Ao Maori to support our new planning model. As summer comes to an end the month of February has seen us enjoy lots of water play in the sand pit and under the water fountain. Children enjoyed themselves and have learnt through their waterplay. Lastly, we really appreciate and thank everyone for their valuable contribution during this month. Thank you.
